

Northfield Community Centre taking action to help refugees

Are you concerned about the plight of refugees? Would you like to do something to help them? Here's how... make an artwork and then come along to buy an artwork at a special event. The theme is HOME – what does 'home' mean to you?

All artworks will be postcard sized (6 x 4) and can be in any medium (crochet, photos, drawings etc.)

They should be sent to Northfield Community Centre, 10 Northfield Road, EH8 7PP before Nov 14th.

The artworks will be sold for donations at a special event at Northfield Community Centre on Saturday 28th November 7-9 pm. It's important to come along and buy one of the artworks

All proceeds will go to the refugee charity Re-Act.
