

# Hibs youngster Callum Crane to join Berwick Rangers on loan

Hibs' Development Squad player Callum Crane will join Berwick Rangers on a short-term loan until 24 January 2016.

Crane, 19, who can operate either as a left-back or in the midfield, returned from injury earlier this week to score a superb long-range goal for the Hibernian Development Squad in their 2-1 victory over Motherwell.

In other news, striker Lewis Allan's loan deal with Forfar Athletic has been cancelled.

The young forward recently underwent surgery to remove a bone cyst from his thoracic spine and is currently recovering. He is expected to resume training towards the end of February 2016.

Jamie Insall, who joined the Club in the summer transfer window, has had his loan deal with East Fife extended until 17 January 2016.

Insall featured on numerous occasions for the Hibernian Development Squad before joining the New Bayview side – scoring on his debut for the Gary Naysmith's outfit in a 5-3 victory over East Stirlingshire.
