

Christmas Gift Idea : A Charity Photo Session – with your Dog!

If your dog is as important ...or maybe even just a tiny bit more important...to you as your mother, why not include him in the Christmas jollity by taking him along to **Ocean Terminal** for a fun photo shoot? **Paws and Claus** will be running special canine sessions every Tuesday and Thursday evening from now until 22 December 2015; for £8 your best friend will get a special souvenir photograph with Santa Claus!

The special canine sessions with Santa also have a more serious purpose, helping to raise funds for **Edinburgh Dog and Cat Home (EDCH)** at one of their busiest times of the year. EDCH has been a safe haven to stray animals since 1883, and still rescues over a thousand lost or abandoned dogs and cats every year. It provides a vital service to the community by trying, wherever possible, to reunite owners with their missing animals. But there are times when owners cannot be found or are unable to cope – that's when its re-homing programme comes in, finding new homes for unwanted dogs and cats.

The Paws and Claus visits will be on a **pre-booking only basis**, with 15 minute sessions available every Tuesday & Thursday evening. The cost of £8 includes a £2 donation to EDCH, and if you wish to donate any extra money to this valued cause there will be a donation bucket on site.

your dog must be **well behaved** and **kept on a lead** at all times, and should be **exercised** prior to entering the Ocean Terminal Shopping Centre.

EDCH is at 26 Seafield Road East, EH15 1EH, tel: 0131 669 5331. Its rehoming service is open without appointment 10am-3.30pm Monday to Saturday, closed Sundays. The EDCH website has lots of advice and information that you should consider before offering to rehome an animal.
