

Public Presentation: THE WORLD IS WAKING UP!

Contributed Article

Public presentation on the awakening of humanity and the emergence of Maitreya, the World Teacher, and the Masters of Wisdom.

Humanity is at a turning point at this critical time and we have a choice: continue on the same destructive path of greed and competition based on market forces, or build a saner and fairer way of life for everyone.

Humanity is awakening to the need for radical change as we enter into a New Age, and another extraordinary event is also taking place: the emergence into the everyday world of Maitreya, the World Teacher, and the Masters of Wisdom, who are inspiring us to build a new civilisation, where sharing the world's resources will create trust, justice and lasting peace.

Join us for a presentation about the public emergence of these remarkable spiritual teachers, which will offer a profound message of hope that covers the following topics & more: Humanity at the Crossroads, The Rise of People Power, The Need for Sharing towards World Peace, Our Spiritual Heritage, Evolution of Consciousness and the Path of Evolution, The Return of the Masters of Wisdom and A Brilliant Future Civilisation.

All welcome to discuss these historic and momentous events. This event is organised by volunteers with Share International and admission is free.
