

Get pampered at Starbucks Princes Street today

Today and tomorrow, Benefit Cosmetics have set up a pop-up pamper parlour at Starbucks on Princes Street, ensuring you get more with your coffee than you ordered!

You can get a Benefit make-up session while you have your coffee, but will have to be careful you don't get the pink whipped cream from your Rose Pistachio Mocha mixed up with your foundation.

And while you are in the Princes Street store admiring the newly made up beauties inside you can admire the lovely view outside too.

Benefit Cosmetics Pamper Parlour

7am – 6pm Monday 15th and Tuesday 16th February

Starbucks, 120 Princes St, Edinburgh, EH2 4AD

 Since 1 February, customers visiting Benefit Cosmetics boutiques or counters have collected a pink coffee sleeve which can be redeemed at any Starbucks store for a buy-one-get-one-free hot drink. Similarly, consumers have been visiting Starbucks to pick up a pink emoji coaster to redeem a free makeupper at a Benefit store. The promotion will run until March 2016.
