SWING BY PARADISE ISLAND ADVENTURE GOLF IN LIVINGSTON DESIGNER OUTLET

[Paradise Island Adventure Golf](#) offers an exciting leisure experience and mini-golf challenge. With two 18-hole indoor adventure golf courses set amidst a tropical island paradise, this is crazy golf with a twist!

Based in Livingston Designer Outlet in West Lothian, the adventure golf destination is a great day out for families, friends, couples and groups and is also a perfect place to host fun birthday parties and original corporate events.

There are two bespoke 18-hole golf courses. Voyagers on the Barnacle Bay course travel from a ship wreck through sea caves to a desert island, facing twists and turns designed to send the ball and player on a rollercoaster ride.

The Lost Lagoon expedition offers more adventurous mini-golfers the chance to test their skills through a maze of obstacles and uneven terrain, as they journey through the lush jungle and mysterious tomb before reaching the monkey temple ruins.

Both courses culminate at the finale 19th hole, where adventurers are challenged to complete it in one for the chance to win a free game pass.
