

Hibs' appeal to bus organisers ahead of League Cup Final

With tickets for the Scottish League Cup Final presented by Utilita due to go on sale from Monday 22 February, Hibs have reminded supporters of the arrangements with regards to supporter coach registration.

To aid Police Scotland in directing coach traffic to the correct parking area Hibs are asking those organising supporter coaches to the Final to register their details with the Club. This process has been extremely successful in past years in ensuring all coaches have the recommended travel plans for the day, easing congestion to and from Hampden.

The Club will circulate the recommended travel routes to and from Hampden for supporters together with a numbered pass to display in the window of the coach. This will help fans travelling on specific coaches to identify it again post-match given that over 100 coaches are likely to make the trip.

To do this the club have asked that fans contact the Hibernian Reception, by telephone on 0131 661 2159 or by email at reception@hibernianfc.co.uk leaving the details below. Travel plans and the numbered pass and will be returned in good time before the match.
