

# Hearts win mini Edinburgh derby at Ochilview Park

Hearts Development Squad beat Hibs 2-1 in the mini Derby at Ochilview Park last night.

Robbie Buchanan and Dario Zanatta had put Hearts in a comfortable position before a late penalty from Jordan Sinclair made the score 2-1.

After the game, Joe McBride, Hibernian U20 Development Coach told the club website: "Dare I say, I know it was a development game but it was a typical derby. There wasn't a lot of football played, the game seemed to be stopped constantly for free-kicks."

"I don't think there was a lot between the teams, they got goals at good times, which gave them a deal of confidence."

"The longer the game went on, I thought the more urgency we showed, which should be showed from the beginning. I thought we stuck at it and had a good go, but there was a lack in both quality and decision making at times."
