

Hibernian Supporters Limited to hold first Annual General Meeting on Saturday

Hibernian Supporters Limited (HSL) are holding their first Annual General Meeting on Saturday 26 March at Easter Road Stadium.

The AGM is due to take place at 2:30pm within the Behind the Goals section of the Famous Five Stand, and it is restricted to members of the HSL scheme only – both full and those contributing towards full membership.

Following the formal matters of discussing the accounts and choice of accountancy firm, a special presentation will be made to Hibernian's legendary number 4 – Pat Stanton. Pat will become the sole Honorary Member of HSL, with the directors not anticipating any further Honorary Members, making it another special milestone for the Club icon.

Former players from Turnbull's Tornados, and many players from the 1960's, including Neil Martin, Allan McGraw and Peter Cormack, will be in attendance to watch Pat become an Honorary Member of HSL.

HSL have asked that those planning on attending can email them at supporters@hiberniansupporters.co.uk so that they can plan the event appropriately.
