## **Hospitality**

The Club have been inundated with enquiries for hospitality bookings for the match, and are working through the number of e-mails they have received over the past few days.

## **Registration of Supporter Coaches**

To aid Police Scotland in directing coach traffic to the correct parking area Hibs are asking those organising supporter coaches to the Semi-Final to register their details with the Club. This process has been extremely successful in past years in ensuring all coaches have the recommended travel plans for the day, easing congestion to and from Hampden.

The Club will circulate the recommended travel routes to and from Hampden for Hibernian supporters together with a numbered pass to display in the window of your coach. This will help fans travelling on your coach to identify it again post-match given that over 100 coaches are likely to make the trip.

Organisers should contact the Hibernian Reception, by telephone on 0131 661 2159 or by email at [reception@hibernianfc.co.uk](mailto:reception@hibernianfc.co.uk) leaving the details below. Travel plans and the numbered pass and will be sent in good time before the match.
