

Big Fish Little Fish – Family Raves

Big Fish Little Fish will hold their next family rave will take place on 21 May at La Belle Angele.

“We’ve sold out three events previously!

“Big Fish Little Fish started running family parties in 2013 and since then, people like myself have attended and decided to bring them home to share locally. It’s a fun, relaxed festival vibe with real DJs playing real upfront music (at a monitored safe level) where the kids have as much fun as the adults.

“We launched in Edinburgh in March, and have had phenomenal success – selling out 3 further parties including our launch in Glasgow next month.

“We’re also planning weekly events during the Edinburgh Festival.”
