

Hibs take action against fans involved in Hampden disturbance

Hibs have announced that the club has taken action against a number of supporters identified as being involved in incidents on the pitch at Hampden following the Scottish Cup Final on May 21st.

Sanctions including life bans and indefinite bans have been imposed so far.

Leeann Dempster, Chief Executive of Hibernian FC, said: "While Police Scotland will continue with their own inquiries, we will continue to review what happened and take the action we think appropriate to protect the Club's good name. We will also co-operate fully with the Independent Commission established by the SFA.

"We have initiated contact with the supporters informing them of our decision. We will continue to identify and impose appropriate sanctions against others involved in unacceptable behaviour."
