

# Newly styled Volvo on sale in Sighthill

Murray Sighthill will have the new Volvo V40 on sale from next month. The model has had a facelift and with prices starting from £20,255 (OTR) this is a good value family car.

The V40's trim structure has also been changed in line with that of the new XC90. Local Edinburgh customers can now choose from Momentum and Inscription versions, along with the sports-inspired R-Design and the rugged Cross Country.

The car is also available in five new colours including Amazon Blue and Denim Blue as well as Bursting Blue, Mussel Blue and Luminous Sand.

Jim Scott at Murray Sighthill commented: "The V40 is the bestselling Volvo model in the UK and is hugely popular with customers at our dealership, making it a vital car for our business. With the updated version coming in June, Volvo is making this already very successful model even more attractive to customers, and we're looking forward to displaying it out on the forecourt."
