

# Refurbished facilities now open at Corstorphine Tennis Club

Councillor Paul Edie opened the new tennis courts at Corstorphine recently along with one of the youngest members, Alfie Osborne (7). Alfie then played against Colin Robertson (77) who is the longest serving member of the Corstorphine Tennis Club on Belgrave Road.

Truly a sport for all ages.

There is social tennis on two evenings and one morning per week and on Saturday afternoons. There is year round play at competitive level, but also opportunities for everyone from juniors up. The coach is Bruce Beadle who is LTA licensed.
