

#SP16 Edinburgh Eastern candidates

The candidates for the Edinburgh Eastern constituency vacated by the SNP's Kenny Macaskill include the leader of the Scottish Labour party, Kezia Dugdale.

We interviewed her and Nick Cook the Conservative candidate as you will see below. We did put out various calls for all candidates to be interviewed on camera but have not managed to speak to them all. The Edinburgh Reporter will be at the Edinburgh Count at Ingliston on Thursday night and will hope to speak to most of the candidates then too.
