

Change of Date for Hearts Tie in Estonia

Hearts have announced that their Europa League qualifying match away to FC Infonet will now take place in Tallinn on Wednesday, July 6th – the night before the tie was originally scheduled to be played.

Uefa only advised the Tynecastle club about the change on Tuesday morning – nearly 24 hours after the draw had taken place.

Although clearly they are not to blame for such disorganisation, Hearts have apologised to supporters wishing to travel to Estonia for any inconvenience caused. Hearts have advised they are in dialogue with the SFA and Uefa and will provide further updates in due course.
