

Edinburgh event : 'Empowering Relationships'

I am promoting an event with Bhu Devi and Bhavani Ma, two spiritual teachers from Australia which takes place in the Salisbury Centre, 2 Salisbury Street in Edinburgh on Saturday 2 and Sunday 3 July 2016.

The event is called Empowering Relationships and focuses on how to find more joy and peace in your relationships.

The event involves guided meditation, and learning about how to hold your energy so that you experience great relationships.

There will be sacred Kirtan music provided by Eirinn.
