

Film Fest in the City on Sunday

We are hoping for some better weather today for the third and final day of Film in the City, but just in case then do bring waterproofs with you. This is an outdoor event in St Andrew Square where you can sit on the newly returned grass or perhaps better still – bring something to sit on!

There will be gin from Pickerings and ice cream from Graham's the Family Dairy and today the films being shown at St Andrew Square begin at 10:00am with some adverts.

The day unfolds with films from 10.30am:

10:30am MOOMINS ON THE RIVIERA (Cert U, 1hr 20mins, 2014)

12:00pm FINDING NEMO (Cert U, 1hr 40mins, 2003)

2:00pm HARRY POTTER AND THE PRISONER OF AZKABAN (Cert PG, 2hr, 22mins, 2004)
