Hibs will face Berwick Rangers, Edinburgh City and Motherwell in their pre-season schedule.

First team players will arrive back for pre-season training on Thursday 23 June, as they prepare for these fixtures and their Europa League matches.

Berwick Rangers will host Hibernian at Shielfield Park on Tuesday 5 July with a 7:45pm kick-off, representing the third season in succession that the side have travelled to Berwick-Upon-Tweed as part of their pre-season preparations.

Two evenings later the players will make a short trip to Meadowbank Stadium to face Edinburgh City, who were recently promoted into the Scottish Professional Football League in May, again with the match kicking off at 7:45pm.

Easter Road will stage a match on Sunday 10 July, with Motherwell travelling to Leith for a 3pm kick-off, as the fixtures culminate before the side begin their UEFA Europa League campaign on 14 July.

All fixtures are subject to SFA approval. Ticket information will be announced in due course
