

# Hearts Freeze Ticket Prices for Europa League Tie

Hearts have announced that tickets for their Europa League 2nd Qualifying Round, 2nd leg tie against Maltese side Birkirkara at Tynecastle will go on sale at 9am on Tuesday, July 12th.

As in the first round against FC Infonet, the match kicks-off at 8pm on Thursday, 21st July, a week after first-leg in Malta.

And again, as in the first round, Hearts have announced that prices for this match will be as follows:

**Adults – £12**

**Concessions (065/FTE/U18) – £6**

Two loyalty points will be awarded for this fixture.

Hearts say season ticket holders will be given the opportunity to purchase their seats from 9am on Tuesday until 9am on Friday. Non-season ticket holders can also purchase tickets from 9am on Tuesday, in the Roseburn Stand. Once the exclusivity period for season ticket holders closes on Friday, all remaining seats will be released on general sale.

Season ticket holders who do purchase their own seat will have the match added to their smartcard.

Supporters can buy their tickets from 9am on Tuesday via the club's three sales channels: online at [Hearts eTickets](#), over the phone by calling 0333 043 1874, option 1 then 1, or in person at the Hearts Ticket Centre on McLeod Street.

Disabled supporters should contact the Ticket Centre directly by calling 0333 043 1874, option 1 then 8.

It's another fine gesture from Hearts and a reward for the Maroon Army's continued magnificent support for the team.
