

“One of the best exhibitions on the Fringe...”

✘ “Paperwork 3” at 2 Howe Street

The Visitors’ Book is a sure guide to how the public receive Fringe exhibitions.

The fact they even take time to write in it or leave their email address to be told of future shows speaks for itself. As well as one visitor naming it “one of the best exhibitions on the Fringe”, Paperwork 2 last year garnered a five stars review and visitor comments like “such varied and beautiful work”, “a very impressive collection” and “I loved the delicacy and the thoughtfulness”.

In Paperwork 3 this year the three Edinburgh artists once again showcase their current works on paper. Accessible and affordable, these new drawings, prints and paintings will engage and inspire. In their different ways and with different materials the artists, Marion Barron, Trevor Davies and Ruth Thomas, each explore natural and abstract forms, still life, space, line and colour.

Paperwork 3 at 2 Howe Street is free and is open 19 – 29 August from 11.00am until 6.00pm.
