

Cameo reintroduce 'Cameo Curated By'...

It's back! The Cameo cinema in Tollcross has reintroduced its *Curated By* strand which allows prominent locals to have a film of their choice screened there.

On 25 August it is the turn of artist John Byrne who has chosen *The Red Shoes*.

Starring the late Moira Shearer who lived latterly in Edinburgh's Upper Dean Terrace, this is a great choice of a classic film. But beware it is a little dark in places too!
