

Edinburgh Festival Fringe 2016 – Perhaps Hope

Rockie and Vincent may look like ordinary Australian tourists, but when they took their shoes off and climbed up beside the famous Greyfriars Bobby onlookers were caught by surprise!

The pair are Perhaps Hope at the Underbelly's Circus Hub on The Meadows. They will perform daily except 15 August at 17.30.

'This humorous, delicate and tension filled work will leave you with a renewed optimism, and perhaps hope...'
