

Have a coffee morning for Macmillan – it's a piece of cake

Hosting your own coffee morning can be a piece of cake, at least according to best friends Ava, Annie and Elizabeth.

Ava Green, 4, Annie Soane, 3, and Elizabeth Sweetman, 5, from Edinburgh, made short work of a giant cupcake to promote Macmillan Cancer Support's World's Biggest Coffee Morning on September 30th.

Last year the World's Biggest Coffee Morning event celebrated its 25th anniversary and raised a record breaking £27.5 million. Macmillan is hoping this year's event on September 30th will be the biggest ever.
