

Dalry Road to be closed for periods on Monday to aid investigation

As part of an ongoing investigation into a collision where a 71-year-old man was seriously injured, Edinburgh Road Policing officers will be closing Dalry Road for ten minutes intervals on Monday 3rd October.

This will affect the stretch of road between Orwell Terrace and Cathcart Place between the hours of 10 am and 11 am.

Officers will be holding up the traffic for around ten minutes at a time.

Drivers are asked to find alternative routes and are thanked in advance for their patience.
