

Three teenagers charged with hare coursing in East Lothian

Police in East Lothian have charge three male teenagers aged 13, 15 and 17 after reports of hare coursing on farmland near Torness Power station.

Police officers liaised closely with partners and were assisted by colleagues from the Civil Nuclear Constabulary to investigate these reports.

The three youths have now been reported to the Procurator Fiscal in connection with two separate incidents, which occurred on 16th August and on 23rd September.
