

Hockey : CALA desperate for points in basement derby

FIELD HOCKEY: CALA Edinburgh Ladies have a key clash today (SUNDAY, 14.30) if they want to beat the drop.

So far they have failed to earn a point in seven Division One games.

And they have shipped 57 goals and scored only two during that depressing run.

Today, they visit fellow-strugglers Erskine Stewart's Melville who are eighth with four points from their eight games.

They also have a minus goal tally having scored 12 and lost 27 and are in need to points to keep in touch with the top six in the ten-strong table.
