

Scottish Association for Mental Health (SAMH) focus group meeting at Easter Road

Following the recent #TeamTalk survey conducted by the Scottish Association for Mental Health (SAMH) Hibernian supporters are invited to join a one-off focus group meeting at Easter Road on Tuesday (22 November).

An informal event, it will run from 5.45pm to 7.45pm and will ask supporters for their views on a major new football-related programme being put together. The organisers promise an enjoyable evening of discussion with fellow Hibeers.

Supporters who participate in the session will receive a £20 voucher to use in the club store as a thank you for attending.

For more info and to register, email fundraising@samh.org.uk by midday on Monday 21 November.
