

# The ice rink opens today!

## St Andrew Square Ice Rink

18 November 2016 until 7 January 2017

10am – 10pm, slots 30 – 45 minutes

The elliptical ice rink in St Andrew Square is always a popular draw and a much loved part of Edinburgh's Christmas, set next to the Christmas Nativity scene in the gardens. It is also the only outdoor ice rink in Scotland's central belt. Last year 61,000 tickets were issued to festive skaters.

This year new sponsors **Standard Life** are making sure local school children have every opportunity to enjoy the fun, through the donation of 10,000 free tickets. If you are at school in the City of Edinburgh get your ticket code from your school and book your free skating session online at [www.edinburghschristmas.com](http://www.edinburghschristmas.com)
