

Limited amount of tickets left for Hibs' top of the table clash on Friday

Hibs have announced that there is now extremely limited availability in the home sections for Friday night's game against Dundee United.

The game is expected to be played in front of the largest football crowd outwith Glasgow this season and victory for Hibs would see a four point gap at the top of the table.

The Club are now releasing small batches of tickets that were previously unavailable for sale (returned sponsor tickets etc) and will provide updates when possible across social media channels.

Supporters should note that tickets will not be available to Hibernian supporters in the South Stand for Friday night due to advanced segregation arrangements.

Leeann Dempster, Chief Executive said, "We are looking forward to the top of the table clash with Dundee United tomorrow.

"The turnout from the fans has been terrific all season and with a big travelling support it looks like it will be a great atmosphere under the floodlights at Easter Road on Friday night."
