

Meet supporter representative candidates tonight at Hibs' Club

Nine candidates are standing for the position of Hibernian supporter representative non-executive director – and fans can meet them all tonight.

An open evening is being hosted at the Hibs Club, Sunnyside, with supporters given the opportunity to speak to all nine candidates.

The event will last from 7pm-9pm and fans wishing to attend should sign up via the club website.

Supporters are able to read the personal statements from each candidate [HERE](#).

The club hope to stream tonight's event on Facebook Live, and will also be capturing the event so supporters who can't attend can watch it back at a later date. Short videos with each candidate are also being prepared and will be available later this week.

Voting will take place early in February, with the two candidates in position by the March board meeting. More information on the voting will follow in due course.
