

Underground Strikes Back! @ The Teviot

Edinburgh's worst kept best secret gig venue, Teviot Underground, screams into the New Year with a packed line-up of local and visiting bands and artists.

And, apart from the one gig noted below, it's free – being enchanted may cost you something else completely!

The 62 / Union Canal / Wendy McAuslan – **19th Jan**

Lyndsey Craig / The Rhemedies / Einstein – **26th Jan**

New Urban Frontier / The Micro Band / More – **27th Jan (7pm until late – Tickets £5.50: <http://bit.ly/2iKnVBW>)**

[Geek Maggot Bingo](#) / Lines of Zahn / Dr VZX Moist – **2nd Feb**

GMB – are angsty retro noise-specialists whose parents are unaware of where they go and what they get up to after dark. They also have longer hair than is strictly necessary and it this shows in their music.

Earths (UK Tour Show) / Our Smallest Adventures / FRAUEN – **9th Feb**

The Cliftons / The Motion Poets / John Edge – **16th Feb**

Rachel Alice Johnson (EP Launch) / DMS / Support – **23rd March**
