

Rugby – Scotland Women's 'Historic' Win – Pictured.

Just to emphasise the importance of Scotland's win on Friday night to the team, their most recent win in the Women's Six Nations was against France in 2010. A 10-8 victory in equally trying, but drier – it was difficult to see across the width of the pitch due to fog – conditions at Lasswade Rugby Club.

Images from the match [will appear](#) here over the next few days
