## Rugby - Scotland Women's 'Historic' Win - Pictured.

Just to emphasise the importance of Scotland's win on Friday night to the team, their most recent win in the Women's Six Nations was against France in 2010. A 10-8 victory in equally trying, but drier — it was difficult to see across the width of the pitch due to fog — conditions at Lasswade Rugby Club.

Images from the match <u>will appear</u> here over the next few days
