

Speedway – Doolan granted testimonial by Berwick

✘ BERWICK Bandits long-serving captain Kevin Doolan has been granted a Testimonial.

Sean Courtney, one of the club's co-owners, said: "Not everyone has the right to call themselves a Bandits Legend but Kev Doolan most certainly does."

The event is on 5 August 2017.

Courtney continued : "Kev became a Bandit in 2002 and arrived on these shores with talent, commitment and charisma in abundance.

"Since then he has established himself as one of the most popular Bandits of all-time.

"Last year's Premier League Riders' Championship at Sheffield showed the mark of the man, choosing to celebrate a heat victory mixing with the traveling Bandits' fans in the crowd on the terraces."
