

Speedway – McKinna on sponsorship track for Bandits

Adam McKinna is the new commercial manager of Berwick Bandits.

Crewe-born McKinna was a popular ex-Berwick and Newcastle rider and he will be the face of Bandits recently-revamped hospitality evenings at Shielfield Park.

Scott Courtney, one of Bandits' new owners, said: "Adam and the team will be more than willing to accommodate any companies interested in advertising with the club next season."
