

# Tickets still available to watch derby on big screen at Easter Road

Hibs' fans unable to get a ticket for the William Hill Scottish Cup Fifth Round on Sunday 12 February against Hearts can watch the game live at Easter Road.

A small number of tickets are still available in the Behind the Goals bars with an additional big screen in place for the tie in the Almond Suite.

Tickets includes an arrival drink and entry in to a free prize draw to win a signed Scottish Cup winning player print.

Doors for the event open at 10:30am and will close at 4pm, but fans should note that due to the Club's license, alcohol will not be available until 11am.

Tickets for this event are £5 and must be purchased online in advance via Hibs' e-ticketing site, with tickets available for collection during Hibernian Ticket Office opening hours, with the ticket office is open on Saturday 11 February from 10.00am until 3.00pm.

Tickets must be purchased in advance of the event and no access will be permitted without a ticket
