Click on the image to get tickets for the Street Assist fundraiser next month.

Street Assist Edinburgh are out on the city's streets every weekend to help those who need help of any kind. That can range from someone who has been drinking and perhaps become disoriented and separated from their friends or it can be someone who just needs to have a chat and a cup of tea.

Nobody is turned away and the service is self-funded.

Now they need your help with some fund-raising.
