

# Travel advice for Hibs' fans heading to Hampden on Saturday

With approximately 19,000 Hibernian fans descending on Hampden Park for Saturday's William Hill Scottish Cup Semi Final against Aberdeen, the following travel arrangements are suggested for supporters going to the game.

On event days, Police Scotland would advise people to use public transport to get to the stadium, if not travelling by organised bus.

Hibernian supporters travelling from Edinburgh are also reminded of the planned closure of the Gogarburn underpass en route to the M8 for maintenance work. We would advise supporters to factor this into their travel plans as this may cause delays to their journey to and from Hampden Park.
