

Hibs announce departure of several players including Alex Harris and Grant Holt

Scott Gallacher, Brian McLean, Alex Harris, Chris Humphrey, Grant Holt and Jamie Insall have all left Hibs.

Goalkeeper Gallacher joined the club on a short term deal following an injury to Ofir Marciano.

McLean also arrived on a short term deal during the second half of the season following injuries to Paul Hanlon, Jordon Forster and Liam Fontaine. He made two appearances for Hibs.

Harris (pictured) is a Hibernian Academy Graduate, and made 60 appearances for the club since making his debut in 2012. 'Boozy' will be fondly remembered for his contribution in the 2013 Scottish Cup semi-final, scoring his first goal for Hibs as part of the sensational 4-3 comeback win against Falkirk.

Humphrey joined Hibernian on a short-term deal from Preston North End in January, and made a blistering start to his Hibs career with a man-of-the-match performance against Dundee United at Easter Road.

An injury sustained in the opening minutes of the Scottish Cup win over Hearts hampered his time at the club, with Humphrey returning to fitness for the final few matches of the season.

Striker Holt was an almost ever-present for Neil Lennon's side this season, scoring 7 times across 39 appearances including 3 in the final 4 matches of the season. His iconic Incredible Holt goal celebration netted the Hibernian Community Foundation a cash windfall thanks to Marathonbet.

Jamie Insall signed for the club in the summer of 2015, and spent the past two seasons on loan at East Fife.

Development Squad members Aaron Dunsmore and Ali Smith have also left the club following the expiry of their contracts.

It was also announced earlier this week that James Keatings would also be leaving, with the striker agreeing terms with Dundee United.

A club spokesman said: "We would like to thank all the above players for their efforts and contribution to the club and wish them well with their future careers."
