

The Buffalo Bicycle is coming to Edinburgh

Join World Bicycle Relief for one of the most inspirational stories you'll ever hear.

The Buffalo Bicycle is Going on Tour and will be visiting Edinburgh on 8 June 2017.

Come and hear how this simple durable bicycle is changing lives. 2017 marks the 200th anniversary of the bicycle. While the design has changed over the last two centuries, the life changing power of this incredible invention has not diminished.

World Bicycle Relief have developed the Buffalo Bicycle, a tool that creates sustainable change for people in need.

[World Bicycle Relief](#) is an organisation that mobilises people in places like Africa where distance is a daily struggle. By designing, testing and distributing durable, reliable bicycles in a sustainable way they are helping to move more communities forward. See The Power of The Bicycle in this video
