

Easter Road open day tomorrow between 1-5pm

The doors of Easter Road Stadium will be open to all on Sunday, with the Hibernian Historical Trust (HHT) hosting their annual open day from 1pm-5pm.

The HHT Easter Road Stadium Open Day offers supporters and visitors to Leith a unique chance to see behind the scenes at the home of the Hibeers. The tours, which are self-guided, offer visitors the chance to explore many areas of the stadium and get up close with a range of historical Hibernian items held by the Trust. Other Hibernian groups such as HSL and Dnipro Kids will be present on the day.

There will also be an opportunity to take part in our #myhibshistory project, as we will be asking fans and visitors to describe some of their own personal Hibernian connections.

A range of historical Hibernian artefacts will be on display during the Open Day, with new displays including memorabilia from our Scottish Cup win, a Lego model of Easter Road Stadium and much, much more.

Supporters will also be able to get their photo taken with the Ladbrokes Championship trophy and Hibernian Ladies' two pieces of silverware – the SWPL Cup and the SSE Scottish Women's Cup.

Doors will be open from 1pm, with the self-guided tours starting from the reception area of the West Stand.
