

# Field hockey – Scotland name World League squad

Edinburgh University, Grove Menzieshill and Clydesdale Western provide nine of the squad for Scotland in the World League semi-final in Brussels from 21 June to 2 July 2017.

✖ Places in the Hockey World Cup 2018 are up for grabs and Scotland face World No 1 ranked Netherlands in their opener before facing China, Italy, and Korea in Pool A for quarter final places. Pool B sees Australia, Belgium, New Zealand, Spain, and Malaysia competing for places in the latter stages of the tournament.

Scotland qualified for the tournament after finishing third in February's World League 2 in Valencia beating Ghana, Poland, Russia and Ukraine on the way.

Dundee-born but Glasgow based coach Gordon Shepherd said: "The squad has worked extremely hard over the last few weeks and this has made the final selection for the World League semi-finals very difficult. Some tough decisions had to be taken.

"There are changes to the squad that was successful in qualifying from World League 2 in Valencia in February and this shows the depth of talent we have within the training squad. We are confident the squad can do what is required to have a successful tournament."
