

Lyra making music in Craigmillar

Music organisation Lyra Young Company has introduced a new initiative to get 8-12 year olds involved in music. It is called Sampler.

Inspired by sampling techniques in music and by traditional cross-stitch samplers, young people from Greater Craigmillar have turned their identities and emotions into a performance using sampling and samplers as a vehicle for expression.

Sampler is created by Lyra's Young Company and performed by Ella, Steph, Kyle, Grace, Ayo, Ty, Delali, Skye and Sandy.

Sampler is suitable for everyone aged 8 – 12 years and their families.

Sampler is supported by Young Start, The Robertson Trust, the Garfield Weston Foundation and by Kintry Environmental Trust.
