

New indoor roller rink and skatepark opens at Ocean Terminal

A new skatepark and roller rink, measuring 200,000 sq.ft. has opened at Ocean Terminal.

The brand new offering has been designed by skatepark experts, Vision Ramps, along with skateboarding specialists Transgression Park, and marks a return to their roots as their first skatepark was built in Ocean Terminal ten years ago.

This facility is unique for a shopping centre in Scotland and will offer a 10,000 sq. ft. skatepark and a 10,000 sq. ft. roller skating and recreational area.

Private lessons and equipment hire are available. A single one hour session is priced from £7, lessons from £10 and equipment hire from £5.
