

Edinburgh Festival Fringe 2017 – Naked Magicians

☒ The show features magic, mirth and more than a touch of mayhem as these two hot and hilarious magicians say abracadabra and take magic to a whole new level. Left without sleeves or pockets, The Naked Magicians' saucy magic is baffling and entertaining, bringing a new meaning to "now you see it".

The naughtiest magic show on the planet features the clever and seductive Christopher Wayne and Mike Tyler. Christopher has a wit quicker than Kim Kardashian's first marriage!

He is proud owner of a freakishly long tongue and an entertainment resume as impressive as his broad climbable shoulders. He was the first Australian magician in TV history to have his own television series "*More Than Magic*", which aired in Australia, New Zealand, England and USA.

Magician, mentalist and comedy hypnotist Mike blends illusion, humour and sleight-of-hand to create a unique experience on stage. A former competitive swimmer in the National Championships and Pan Pacific Games, Mike is the complete package – funny, athletic, sexy *and* good with his hands!

This boisterous R-rated magic show, currently playing to rave reviews across the USA as *The Naked Magic Show*, strips away the top hats and capes, promising full frontal illusions. Good magicians don't need sleeves. Great magicians don't need pants!
