

Edinburgh Festival Fringe 2017 – The Agony and the Ivories

Bill Larkin (Comedy Central's "Premium Blend") stands behind his keyboard for an evening of original comedy songs. This could be the comedy gem you have been waiting for.

 The Los Angeles Times calls him "bitingly satirical".

Weird Al Yankovic himself says he's "a big fan".

This 50 minute show is intended for mature audiences with songs about social media, self-esteem, family, nostalgia, politics, homosexuality and ageing (to name but a few!).

Aug 21-26, 20:05-20:55, The SpaceUK @ Surgeons Hall, Venue 53

Tickets: £8 (£6)
