Hibs Development Squad defenders Kevin Waugh and Callum Donaldson have joined Berwick Rangers on loan until January.

Centre-back Waugh 19, is left-footed and can also play at left-back. The defender has been a mainstay of the Hibernian Development Squad for the past two seasons.

Donaldson 17, is an energetic full-back and can play on either flank, although right-back is his strongest position. He initially started to play for the team towards the end of the 2014/15 season, and has since gone on to become a regular for the Development Squad.

Both players will join the Shielfield Park outfit on Development Loans, which will allow them to play in matches for the Development Squad throughout the duration of their loan spells.
