Can you help find the lost panda?

Davina Verling and her family are on holiday from the New Forest. They passed through Edinburgh last week when her young son Rupert lost his beloved toy. In fact it was Davina's own when she was young, so this is a much-loved and much-missed member of the family. Have you seen him?

If you have seen panda then please email us editor@theedinburghreporter.co.uk

Davina explained to us what happened : "We lost panda last Thursday 3 August 2017 at around 11:45 between the Premier Inn on Princes Street through Princes St Gardens to the NCP car park on Castle Terrace.

"We drove for 6 hours round trip back to Edinburgh to find him with no luck.

"We are visiting from the New Forest on holiday you see.

"Panda was mine as a child and my son Rupert sleeps with him every night. We are desperate to find him."
