

Police appealing for help in tracing two Fife youths

Two youths missing from Aberdour were spotted in Edinburgh this lunchtime and Police Scotland are asking for help in finding them.

✘ Connor Reid (14) and Liam Logan (11) were seen at Haymarket around 12.20pm today before they apparently headed off towards Clifton Terrace.

Police are concerned for their welfare as they have been missing since the early hours today and need help in tracing the two young men.

Connor is described as being 5ft 6 inches tall, slim-built with blonde hair. He was wearing a dark-coloured top with a white emblem on the front, dark trousers and blue trainers.

Liam is 5ft tall, slim-built with short, ginger hair. He was wearing a dark-coloured baseball cap with Adidas stripes on the peak of the cap and a black Adidas top with white stripes down both arms with matching track-suit bottoms and silver trainers.

It is thought they boarded a train at Burntisland, Fife around 11.38 am Friday morning.

Constable Kelly Bellingham of Dunfermline Community Investigation Unit said: "We are growing increasingly concerned for the welfare of these boys given that they have been missing since the early hours of Friday morning.

"We are keen to hear from anyone who may have seen them since they left Burntisland.

"Similarly if Connor and Liam see this appeal, we would ask them to get in touch to let us know they are okay."

Anyone with information is asked to contact officers on 101 quoting incident no 0247 of 4th August.
